

Istron

This is easier to access the trip if you are staying in eastern Crete. It is located close to [Agios Nikolaos](#) and not far from Elounda as well and is much less exposed to winds and waves. An ideal trip for non experienced paddlers.

Details about the trip:

Depending on the weather & group experience we will head either northwest to the town of Agios Nikolaos or southeast to the small fishing village of Pachia Ammos.

In either case, we can have lunch in a taverna or you are welcome to pack your lunch.

Of course there will be enough stops for swimming and snorkelling. The paddling distance is around 15-18km in either direction. Distance can be shortened or extended based on group needs.

Frequently Asked Questions

What to bring?

You will need 1.5lt of water (ideally in small bottles), sun glasses, hat, sunscreen, swimsuit, lycra shirt or any t-shirt ideally with UV protection. You will also need shoes that you do not mind getting soaked as you will get your feet wet. Ideally a light neoprene shoe will work great. It is not required to wear shoes but they will help as the majority of the beaches are with small pebbles.
