

Sailing & Sea Kayaking

Duration: 4 days Level: Easy Price: 1250€

Our sailing boat and sea kayaking multi-day trip has been designed for active and independent sea kayakers who want to combine the ultimate sailing & kayaking trip in one trip. We can run the trip from April to late October.

Overview of the trip

[1250€/person](#) [Book](#)

Maximum 6 participants per trip. The trip can be fully customized based on participants skills. For non-experienced paddlers, there will be plenty of coaching to improve your skills while paddling in the southernmost island in Europe. The route itself is one of the best in Greece if not the best. Superb beaches, impressive rock arches and crystal clear warm water are waiting for you. During the trip, we will have enough time to snorkel and explore parts of the coast. When you book for this trip please write as much as possible about your experience in either kayaking or sailing; that will help us to alter the trip accordingly.

EXPERIENCE NEEDED

The trip can be customized to do either more kayaking or sailing. New paddlers are welcome to join. Experienced paddlers can join a longer distance paddling. Groups of 4 or more can customize the trip do paddle or sail more or even spend time coaching. This trip has it all!

You should be able to paddle up to 20km per day and been able to track kayak in straight line.
